PRINCIPAL'S MESSAGE

It gives me immense pleasure to pen down few words as prologue to our in-house News letter "**Bhartiya News**" exclusively meant for churning out the latent talent which bears immense potentiality of sharpening students communication skill as part of their overall personality development. I congratulate all the contributors and editorial board for bringing out this issue of News Letter.

Today Education means much more than merely acquiring knowledge. It is acquisition of knowledge and skills, building character and improving employability of our young talent. The future leadership measures initiated by the management, the whole hearted contribution of the teaching and non-teaching staff and enthusiastic participation of students in the college activities have pushed the college to new heights.

I am proud to be the principal of this institution dedicated to the cause of Teacher Education for better India.
