### **Message by Principal**

This is an era of education with global vision – vision to create knowledge based society through quality education and training. No doubt, the quality of education is determined by the quality of teacher and since ours is a teacher training college, so it becomes our foremost duty to imbibe social and moral values which are fast diminishing in the coming generations in the whirlpool of impatience, jealous, stress, hatred and anger. It also becomes imperative for us to ignite the minds of these budding blooms with behavior and life skills. We have to train our teachers in such a manner so as to build value based good environment for a bright future of the generation.

Dr. Anita Bali  
Principal

## Profile of the College

Bhartiya College of Education Udhampur, established in the year 2003, is being run under the aegis of Bhartiya Educational Trust devoted to the promotion of education (general, technical and professional), training and social welfare according to the new emerging technologies and trends. The college is affiliated to the University

recognized by the Govt. of J&K and is also recognized by the University Grants Commission under section 2f. The college has been envisioned as an institution of excellence with main focus on building capacities of the students with holistic development of their personality which is to be achieved through comprehensive education synthesizing in its educational processes professionalism with technological and managerial knowledge in a conducive environment created through good housekeeping, beautiful landscapes, adequate facilities and disciplined life style, besides ensuring professional growth of teachers. The college is housed in a three storeyed building which accommodates 20 spacious classrooms, Audio-visual room, Seminar Hall, Administration block, computer lab, science lab, multipurpose hall, examination hall and a spacious library equipped with more than 5000 books.
